## **CITY OF MARTINSBURG STORMWATER PROGRAM INTERNS**

**The City of Martinsburg is now accepting applications for two (2) Stormwater Program Interns.**

Summer intern positions will focus on digitizing past construction files and all relevant infrastructure data, collecting new information in the field, digitizing and georeferencing existing engineer drawings of stormwater infrastructure and the creation and/or maintenance of a geodatabase of all collected field data and documentation. This will include processing all collected data to the MS4 infrastructure map, creating a digital inventory and uploading to a network drive. Interns will also contribute to other duties and projects as assigned.

The summer intern positions are for a twelve (12) week period working approximately forty (40) hours per week with no benefits at a rate of \$15.00 per hour. This is an ideal opportunity for upper division students with a major in environmental studies or related field. Applicants must be at least 18 years of age and be able to meet all physical requirements of this position.

Apply online at <https://www.cityofmartinsburg.org/residents/careers>. Positions are open until filled. The City of Martinsburg is an equal opportunity employer. Women and minorities encouraged to apply. EEO/AA
